30009 770.817.0161

Breakfast & Lunch Provided

Drs. Velez, Blair, McGhee & Keim, would like to Invite You to:

A unique program designed to enrich your practice. This mini-residency will enable the group to share ideas and techniques for better patient care and more comprehensive treatment planning.

This series will explore setting patient expectations, single and multiple implant restorations, full arch restorations, occlusion and complications. Come join us in ensuring we are doing what is best for our practice and our patient.

This series is open to all General Dentists & Prosthodontists

**Dates & Times** Each session 8AM – 4PM

January 18, 2019

April 12, 2019

September 27, 2019

October 25, 2019

### **Speaker: Gary A. Morris, DDS**

Dr. Morris completed his undergraduate studies at Indiana University in Bloomington, Indiana. He received his dental degree from the University of Illinois at Chicago and completed his residency in Prosthodontics at the UMKC College of Dentistry in Kansas City Missouri. He is an Adjunct Clinical Assistant Professor at Southern Illinois University, School of Dental Medicine. Prior to this appointment he was a Clinical Assistant Professor at the University of Illinois, College of Dentistry. He is a member of the ACP, AO, ADA, ISDS, CDS and is the immediate past president the Chicago Academy of Dental Research. Dr. Morris is vice president of the Illinois section of the ACP. Dr. Morris has lectured both nationally and internationally and has authored or co-authored numerous articles related to dental implants. Dr. Morris maintains a private practice, limited to prosthodontics and restorative dentistry, in Buffalo Grove, Illinois.
