

PEAK PERFORMANCE®

3 SESSION SERIES

Peak Performance
A series by Dental CE Solutions

This program is designed to supercharge your growth and functionality. Dive into the team approach to implant dentistry and master the business skills needed to run a top-tier implant practice. Our goal is to help you develop strategies to keep your surgeon/restorative team in sync, all for the benefit of your patients. By co-educating the surgeon/restorative team and their staff, we foster a strong relationship built on best practices, science and clinical experience.

TRANSFORM YOUR ORAL SURGERY PRACTICE

OBJECTIVES

- ▲ Understand the market pressures faced by oral surgery practices in the changing referral environment
- ▲ Identify and develop your vision and brand
- ▲ Identify and implement systems that can be tracked, evaluated and adjusted
- ▲ Identify key staff members and implement training protocols
- ▲ Understand and implement a strong education strategy
