

Guest Speaker:
Dr. Gary Morris, DDS

Dr. Morris received his doctor of dental surgery from the University of Illinois at Chicago and completed his residency in Prosthodontics at the UMKC College of Dentistry in Kansas City Missouri. He is an Adjunct Clinical Assistant Professor at Southern Illinois University, School of Dental Medicine where he sat on the committee that formed the SIU Dental Implant Center at its inception. Prior to this appointment he was a Clinical Assistant Professor at the University of Illinois, College of Dentistry. Dr. Morris has lectured extensively both nationally and internationally on implant prosthodontics and has authored or co-authored numerous articles and two book chapters related to dental implants. Dr. Morris sits on clinical advisory boards for several industry leaders and is the Director of Education for Dental CE Solutions, Ltd. He maintains a private practice, limited to prosthodontics and restorative dentistry, in Buffalo Grove, Illinois.

COURSE DESCRIPTION

This four session Implant Restorative Continuum is designed for dentists and dental teams who work in the team approach arena and wish to elevate their knowledge of implant restorative dentistry, increase confidence and build a more predictable and profitable implant practice. With an emphasis on treatment planning concepts and cases from the participants practices, a clarity will be gained in real world, evidence-based implant restorative dentistry.

SESSION #1: A GOAL ORIENTED APPROACH TO IMPLANT DENTISTRY

Goals and objectives:

- To understand how to set treatment planning goals.
- To simplify the consultation process and follow patients through the diagnostic phase.
- To understand outcome-based diagnostic and treatment decision making.
- Treatment Planning Session

SESSION #2: THE IDEAL IMPLANT RESTORATIVE PRACTICE: WHAT DOES IT LOOK LIKE?

Goals and objectives:

- To understand what it takes to be a high powered implant restorative practice.
- To implement a Restorative Care Coordinator in practice.
- To gain knowledge in the ITC System and how to implement it.
- To understand business and clinical systems needed for successful patient outcomes.
- Treatment Planning Session

SESSION #3: ABUTMENT SELECTION, RESTORATIVE MATERIALS, EFFICIENCIES & OTHER CONFUSING TOPICS

Goals and objectives:

- To demystify the most misunderstood elements of the implant restorative process.
- To understand digital and analog workflows and when to leverage technology for success.
- To understand and enhance laboratory communication.
- To determine how different restorative materials affect patient outcomes.
- Treatment Planning Session.

SESSION #4: HOW PARTIAL TREATMENT PLANNING COMPLICATES FUTURE CARE

Goals and objectives:

- To understand how incomplete, staged or compromised treatment planning impacts future restorative options.
- To understand how to mitigate future risk of revision or replacement of implants for patients who need re-restoration of their existing restorations.
- To understand how to create a treatment plan that will be adaptable to a patient's future needs.
- Treatment Planning Session.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between Dental CE and Beacon Oral Surgeons. If tuition was collected, Dental CE Solutions is not responsible for any reimbursement due to cancellation of an event. Reimbursement is the sole responsibility of Beacon Oral Surgeons. Beacon Oral Surgeons reserves the right to cancel a course no later than 14 days prior to the course date. Dental CE Solutions is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Dental CE Solutions designates this activity for 28/7 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for continuing Education Provider Recognition at CCEPR.ADA.org
