

THREE SESSIONS · FOR ORAL SURGEONS AND THEIR IMPLANT TEAMS

Become the Predominate Implant Practice In Your Market

Referral patterns are shifting under you. General dentists place more implants every year, and the practices still winning are the ones whose surgical and restorative teams work like one practice. **Three weekends. One team. Systems you can run on Monday.**

THE ASCENT / SESSION ROADMAP

Tuition Includes:

- ▲ One oral surgeon for all three sessions
- ▲ One restorative clinician of your choice for Sessions 2 and 3
- ▲ One STC and one RTC for Session 3

01

**FEB 20-21, 2027
Park City, Utah**

ORAL SURGEONS ONLY

- ▲ Learn the keys to becoming the predominant implant practice in your market
- ▲ Identify the referrals you'll bring to Session 2

02

**June 5-6, 2027
Chicago, IL**

SURGEONS + RESTORATIVE

- ▲ Educate your referring clinicians side by side
- ▲ Identify the key staff members to bring to Session 3

03

October 2027 exact date and location to be determined

THE FULL TEAM

- ▲ Build and grow the implant practice as a team
- ▲ Train your surgical and restorative treatment coordinators

Bring the family, arrive early, stay late, and dive into everything these incredible destinations have to offer.

Three sessions, one room. The surgeon, the restorative dentist and the team they work with every day, **learning the same systems at the same time.**

YOUR FACULTY

Gary Morris, DDS

Prosthodontics & Restorative

Dr. Morris earned his DDS from the University of Illinois at Chicago and completed his residency in prosthodontics at the UMKC College of Dentistry. He is an Adjunct Clinical Assistant Professor at Southern Illinois University School of Dental Medicine, has lectured nationally and internationally on implant prosthodontics, and has authored or co-authored numerous articles and two book chapters on dental implants. His private practice in Buffalo Grove, Illinois is limited to prosthodontics and restorative dentistry.

Brent Boyse, DDS

Oral & Maxillofacial Surgery

Dr. Boyse is a board-certified oral and maxillofacial surgeon who received his dental degree from the University of the Pacific – Arthur A. Dugoni School of Dentistry. He completed his oral and maxillofacial surgery residency at the University of Rochester in Rochester, New York. He has spent much of his career seeking out the best education available and teaching surgical technique around the world. He maintains a group practice in Mesa, Arizona.

Additional faculty for Session 3: Jen Deines, STC · Anna Raskin, RDH/RTC – Experts in the Team Approach
